

## PARADISE

Pending the sale of the building at 1521 Topsail Road, classes will be held at the PARADISE DOUBLE ICE COMPLEX. We are excited to be able to offer students and parents all the amenities of this location: plenty of parking, convenient location, nearby shopping, on-site canteen (open until 10:00 every evening), many drop in programs that family members may like to explore while your child is in dance class. As always, schedules are subject to sufficient enrollment and may need to change. If you are looking for a class that is not currently on our schedule, please email us and we will do our best to accommodate your request.
